

The New Auto-Layout System

LineLazer IV – Only from Graco!

Eliminate the hassle of manually laying out parking stalls and pre-marking roadlines with the all new Auto-Layout LineLasers from Graco. Only Graco offers a “better way” to tackle the tough layout jobs with the all new Auto-Layout System LineLasers! Innovation continues to propel the LineLazer family of products to levels unmatched in productivity and time savings – exclusively yours from Graco!

Finally, a better way to do line striping layout jobs - faster, more accurately, with the exclusive Auto-Layout System from Graco.

Finish Jobs Faster

- 30% faster with walk behind strippers
- 50% faster when using the LineDriver

Less Hassle, Less Fatigue

- No bending to mark the lines
- Eliminates the strain to read tape measure
- Takes the hassle out of calculating distances and stall sizes

Pin Point Accuracy

- Accurate to 1/4" at 100 feet
- Simple to use everytime

Take the Pain Out of Layout!

- No more tape measures
- No more calculation errors
- No more guessing
- No more sore backs
- No more wasted energy
- No more missed opportunities
- Auto-Layout automatically places dots for layout jobs – saving time and money!

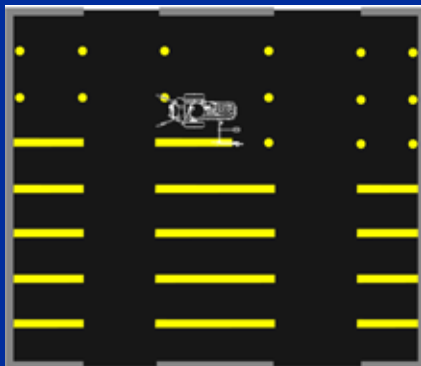

New Digital Display

- The display now shows psi, mph, mils-instant average, lineal foot, gallons and mils-total – All on one screen!
